RESEARCH POLICY

We, at Smt. K. G. Mittal College of Arts & Commerce envisage cultivating a vibrant research culture conducive to the faculty and students. Research activities are motivated by providing required infrastructural facilities. Research policy serves as an outline within which research activities are to be carried out:

- To develop a positive research atmosphere for enhancing good quality research.
- To encourage research initiatives and to effectively integrate research experience in teaching-learning.
- To motivate faculty members to undertake collaborative research projects and to get research projects sanctioned by National Funding Agencies.
- To motivate and assist students in preparation, presentation and publication of research papers and in undertaking research initiatives.
- To provide duty leave, travel grant and necessary facilities that will enhance research activities of faculty members.
- To provide financial assistance for the publication of research papers and research findings.
- To provide necessary infrastructural support like technology to take up research projects.
- To enrich information and data resources required to undertake research initiatives.
- To organize sessions/ workshops for developing research acumen and skills among faculty members and students.
- To depute faculty members to various seminars, workshops and conferences in their respective fields and to encourage them to research related themes.
